## Competition Format and Rules

競技形式および規則

As of THU 19 AUG 2021

### PARALYMPIC COMPETITION FORMAT

#### Events

Nine events make up the paracanoe sprint competition at the Tokyo 2020 Paralympic Games:

<b>Men</b>	KL1	KL2	KL3	VL2	VL3
<b>Women</b>	KL1	KL2	KL3	VL2	

All events' race distances are 200m and any event with eight or fewer participants will be considered a final, while an event with more participants will have heats, semifinals and finals (A&B). If the number of entries in races is higher than the number of lanes, heats are necessary. If heats are held, the division into heats will be based on their results from the world championships in May 2021.

#### Competition draw

International Canoe Federation (ICF) officials will make the draw for the canoe competition in August 2021 at the Sea Forest Waterway in Tokyo Bay. The chief official, technical delegate, and the sport manager will decide the seedings based on the ICF world rankings after the 2019 ICF Paracanoe World Championships.

### SPORT RULES AND PROCEDURES

#### Tiebreak rules

In the event of a dead heat, all tied boats are qualified if there are enough lanes in the next round. If there are not sufficient lanes in the next round, a re-race between the tied boats is held one hour after the last race in the session.

If there is a dead heat for a medal position in a final, additional medals are awarded.

#### Competition rules

The paracanoe competition will be held in accordance with the following documents that are in force at the time of the Games:

- The ICF Paracanoe Competition Rules 2019 (available at [www.canoeicf.com/icf/AboutICF/Rules-and-Statutes.html](http://www.canoeicf.com/icf/AboutICF/Rules-and-Statutes.html))
- The IPC handbook (available at [www.paralympic.org/the-ipc/handbook](http://www.paralympic.org/the-ipc/handbook))

The ICF, working with the Tokyo 2020 competition management, will be responsible for the technical control and direction of the canoe competition at the Tokyo 2020 Paralympic Games.

### CHANGES SINCE THE RIO 2016 PARALYMPIC GAMES

- Competition has been extended from two days to three days.
- Three new events have been added in the va'a boat.
- The number of athletes increased from 60 to 90.
- Athletes are allowed to compete in two events (kayak and va'a) according to their sport class.
- New progression system has been introduced based on the number of athletes entered.
- Final B (numbers permitting) will be held to determine the rank below ninth place.

## DIFFERENCES FROM THE OLYMPIC GAMES

- Only one race distance takes place in the Paralympic Games (200m), while there are multiple race distances in the Olympic Games (200m, 500m, 1000m).
- All boats in the Paralympic Games are “singles”, while in the Olympic Games there are “singles”, “doubles” and “fours”.
- There are two types of boats in the Paralympic Games (kayak and va’a), while they are different types in the Olympic Games (kayak and canoe).
