Dear Friends in Sport,

On behalf of the whole Canoe community, European Canoe Association and Canoe Federation of Serbia, it is my great honor to welcome you all to the ECA Canoe Sprint Junior & U23 European Championships which will be held in Belgrade, Serbia from the 22nd to the 25th of June 22-25, 2017.

Tradition in the organisation of great international Canoe Sprint events is continuing. After five World Championships Flatwater Canoeing held in 1971, 1975, 1978 and 1987, came the new era with European Junior & U23 Championships in 2007, 2008 World University Flatwater Canoeing Championships and 2011 European Canoe Sprint Senior Championships.

Being proud what was shown then, we are convinced that we will outdo all that this year at yet another ECA event.

Looking forward to welcoming you all once again here in Serbia!

Mirko Nišović

Serbia has connected West with East for centuries – a land where civilisations, cultures, faiths, climates and landscapes meet and mingle. From the agricultural regions of the Pannonian Plain in the north, across the fertile river valleys and orchard-covered hills of Sumadija, the landscape of Serbia continues southward, gradually giving way to mountains rich in canyons, gorges and caves, as well as well-preserved forests. Today, Serbia is a modern, democratic European country, on the path to membership of the European Union, which a diverse range of visitors – from young backpackers to participants in congresses and fairs, cultural and sport events – visit every day.

Facts:

- ✓ Population: more than 7,000,000 (83% Serbs) ,
- ✓ Capital city: Belgrade, population more than 1,600,000
- ✓ Climate: moderate continental – monthly average vary from 1,4°C in January to 23,0°C in July.
- ✓ Time zone: Central European, CET (GMT + 1 hour)

Belgrade is the capital city of Serbia and has a population of around 1.7 million. It is one of the oldest cities in Europe and has since ancient times been an important crossing of the ways where the roads of eastern and western Europe meet. The city lies on two international waterways, at the confluence of the Sava and Danube rivers, which surround it on three sides. Because of this position, Belgrade is fittingly referred to as the Gateway to the Balkans and the Door to Central Europe.

Ada Ciganlija Regatta Course is situated on Sava Lake, in the very heart of the City of Belgrade, only 5 km from the city center. Ada Ciganlija is a river island, artificially turned into a peninsula. It has become cultural, sports and entertainment center of Belgrade, especially during the summer when nearly 300.000 people come here to swim or engage in other recreational activities.

The lake is 4,2 km long with an average width of 200 m and the depth of 4-6 m fully equipped with all necessary infrastructure.

The position, quality of water, existing equipment and the length of the lake make it ideal for top athletes in Canoe Sprint.
