A COUNTRY OF HISTORY, WATER AND FIRE ...REVEALS ITS MYSTERIES

The area of Saint-Omer has stayed true to itself and unspoilt. Its architectural heritage and its monuments are witness to the wealth of its history. One of the jewels in its crown is the Notre Dame cathedral, a masterpiece of gothic architecture. At each step, Saint-Omer, classified as a « Town of Art and History » offers you a view of one of its church towers or stately homes.

The Audomarois marshland, a magical, unique place in the Parc Naturel Régional des Caps et Marais d'Opale, has an amazing range of flora and fauna, just waiting to be discovered via its 1000 km of footpaths and 100 km of canals.
